

MO STAFF HEALTHCARE SERVICE

Professional Staffing Solutions for Child, Youth, and Family Services

MO STAFF HEALTHCARE SERVICE

Company Profile

We are a professional staffing agency providing qualified, reliable, and fully vetted frontline personnel to child, youth, and family service organizations across Ontario. We support service providers in maintaining continuity of care during staffing shortages, sick calls, vacations, periods of increased demand, and emergency situations.

We understand the highly regulated and sensitive environments in which children aid societies, youth services, and community-based organizations operate. Our priority is to deliver dependable staffing solutions that promote the safety, well-being, and rights of children and youth. We support the effective functioning of internal teams and align with each agency's policies, procedures, and service expectations, in accordance with Ministry of Children, Community and Social Services standards.

In addition, we provide reasonable and individualized accommodations in staffing assignments, ensuring individuals are matched and supported according to the specific needs of individuals and programs. This approach reflects our commitment to accessibility, inclusion, and responsive service delivery, while maintaining compliance with applicable legislation and ministry requirements.
